Teacher of Mathematics

Full-Time

from September 2023

We seek a well-qualified candidate to join a strong Mathematics Department.

Experience of the IB curriculum, and certainly experience of Sixth Form teaching, would be an advantage.

Rent-free accommodation is available for the first three months. The salary is competitive, and current Italian law allows professionals from abroad a significant income tax reduction for a number of years. Help will be given to meet any visa requirement.

We take great care to safeguard children in the school. Applicants must agree to undergo checks with previous employers as well as criminal records checks. We encourage and support diversity in applications to the school.

Further information about the school is available on the website: www.britishschoolmilan.com where you need to complete the application form. The deadline for applications is **Friday 3 February 2023**.

The School

Established fifty years ago, the British School of Milan is an independent, co-educational, not-for-profit organisation enjoying a national and international reputation for excellence. The School offers students the English National Curriculum up to (I)GCSE and the IB Diploma in the Sixth Form, with a wide range of co-curricular activities throughout. Teaching staff work in a positive and friendly atmosphere with bright and responsive students. The 2022 cohort gained an average of 37 IB diploma points, and (I)GCSE results yielded an A*/A grade (or equivalent) average of 71%, with 98% achieving all 9-4 (A* – C) grades, and 9 students achieving perfect scores.

Living in Milan

The school is situated close to the centre of Milan, a cosmopolitan city, the financial capital of Italy, and an exciting place in which to live and work. It boasts one of the grandest squares in Europe, dominated by a spectacular cathedral and arcade. Art treasures include The Last Supper by Leonardo and the Rondanini Pietà by Michelangelo, while La Scala is one of the premier opera houses in the world. The fashion houses of Prada, Armani and Versace have their headquarters here, while two of the most celebrated football teams in Europe play in the San Siro stadium. Milan recently hosted the World Expo, has excellent public transport, three international airports, and world-class healthcare, making it one of the world's great cities.
