THE BRITISH SCHOOL OF MILAN
LEARNING TO EXCEL SINCE 1969

RE-ENROLMENT AT THE BSM

We value the loyalty of our families within the community and look forward to welcoming them back, on their return to Milan. In order for the school to guarantee children a place amid likely competition in their year groups, we kindly ask parents to follow the steps below to secure their re-enrolment and return to the school. This re-enrolment procedure must be completed before the child leaves the BSM:

1. Fee payment of € 3,000.00 for the first child and €1,000.00 for each subsequent child, as deposit within 10 days of the offer date; failure to pay within the aforementioned deadline will result in the reservation being cancelled.
2. By 31 January the registration should be confirmed, or the place will be cancelled.
3. If the deadline in point 2 is not met, the deposit will not be returned by BSM.
4. If the deadline in point 2 is met and the place is cancelled, BSM will return the deposit in full.
5. If the reservation becomes an enrolment, the deposit will be deducted from the Tuition fees.
6. Recent school reports will be routinely required for all children before re-entry. Routine entrance assessments will also be necessary for children entering the Senior School, at no extra cost.

The admission and registration fees will be payable as follows:

• Zero if the new enrolment takes place within the second academic year following the withdrawal (if the withdrawal occurred in June 2022, the new enrolment must take place within the academic year 2023-2024).
• 50% if the new enrolment takes place during the third academic year following the withdrawal.
• 100% if the new enrolment takes place during the fourth or subsequent academic years following the withdrawal.
